216 Audit objection disallowing the allowances for the three radio operators from June 1945 and onwards and office letter to Government in the matter stating that interpretation of the G O in question made of the auditor is not correct inasmuch as it is a fresh post created to look after all the radios in the city and the G O does not dispense with the grant of allowances to the other three operators actually working at the several radio booths

Resolution The operators working at Kantaraj, Subrayanakere and Rajaram Agrahar Parks may be paid the allowance of Rs 5/- p m which was being paid to them hitherto as per G O No L 9733-4/M1 31-37-121 d 1st June 1938
